### **Who We Are**

[Tayari Foods](#) is the pioneering processor of ready-to-cook potato products in Kenya.

We go a step further and deliver our products to your doorstep!

Our delicious potatoes start with produce grown in ways that protect what we all value most – the health of our families, the air we breathe, the water we drink, and the future of our children and future generations.

Our fully equipped factory is at Enterprise Road, Industrial Area, Nairobi.

### **What We Do**

A fully dedicated team serves it with the expertise to ensure consistent food quality and hygiene. Ideally located an hour's drive from our farms, all our farm fresh potatoes are hand-picked from the ground, carefully selected, transported, and processed within hours of harvest for you to enjoy the pleasures of our product.

We are keen on supplying you with our vacuum-packed potato products which include:

- Restaurants' favorite chips cut: 12mm by 12mm
- Home Style Chips: 10mm by 10mm;
- Lyonnaise
- Whole peeled
- Wedges
- Cubes
- Home fries(cubes with skin)

Wedgehut Foods' product benefits include:

- Consistent quality, serving after serving
- Premium cut-length varieties
- Longer shelf life- up to 3 days when refrigerated
- Takes less than 5 minutes to prepare
- Competitive prices all year around
- 100% grade-A Kenyan potatoes
- All nutritional value of the product is intact.

Benefits to your kitchens:

- Significantly less labor and preparation time/ costs

- Quicker preparation time
- Consistent produce- texture, color, and authentic taste
- No wastage in water usage and electricity bills
- Increased inventory control
- Low production cost- less cooking oil and energy
- Saves on space within your premises
- Assurance of Food Hygiene and Food Handling
- Better cash flow management- delivery frequencies to meet your needs
- Environment-friendly packaging

We are currently supplying to many restaurant chains, institutions and supermarket chains

Clean Shelf, Naivas/Quickmart.
